INFORMATION, LINKAGES & CAPACITY BUILDING

ILC 5 HUBS PROGRAM

Servicing the communities of Port Macquarie, Wauchope, Lake Cathie, Laurieton and Kempsey.

OUR AIM:

The ILC program aims to provide its participants with:

- Greater opportunities to participate and contribute to the community.
- Increased accessibility to the community.
- Increased inclusion within the community.
- Increased skills and knowledge through capacity building workshops.
- Easier access to, and knowledge of services within the community.

WHAT WE DO:

Hastings Neighbourhood Services Information, Linkages and Capacity Building (ILC) Social and Community Participation program will support people with disability, their families and carers within the local community to participate in peer mentoring support groups, social participation activities and inclusive information/skills building workshops, underpinned by individual capacity building activities.

HOW WE CAN SUPPORT YOU:

LISTEN & VALIDATE

Our ILC team will listen to your story and validate your experiences, needs and goals.

DEVELOP INDIVIDUAL PLANS

We will work one on one with participants to identify individual goals along with any barriers they may face.

PROVIDE INFORMATION

The ILC team are dedicated to fostering participant growth and development through a range of tailored information.

LINK IN WITH SERVICES

The ILC team believe it's essential to link participants with local services to enhance individual capacity and contribute to community.
