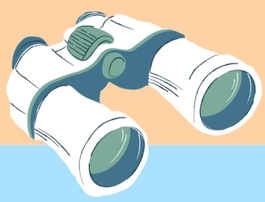
PMNC CHILDRENS SERVICES OOSH & VACATION CARE

HNS - OOSH & VACATION CARE

PHILOSOPHY

To provide a not-for profit, child-safe service, where meaningful partnerships with families foster child wellbeing, development, and learning. We will utilise evidence based , Best Practice tools to engage families and ensure se r v sice delivery remains flexible to changing community needs



KEY COMMITMENTS

- To provide child focused programs based on a holistic approach that focused on learning through play, encouraging a child's independence and agency
- Respect for diversity is embedded in all aspects of service delivery encouraging appreciation of culture, the individual, equity and celebrating difference.

- To always respect and foster a reciprocal, open, communicative relationship with our families.
- To foster an environment of ongoing learning and reflective practice amongst our educators, through the provision of professional development, ongoing support and opportunities to realise their potential
- To assure quality care the service is committed to continual reflections, monitoring and evaluation of services practices.
- to actively nurture each child's potential, encourage the building of skills toward the achievement of goals and the sharing of each other's success.
